***RECOMMENDATION  
LETTER***

**JSC „Aircompany „Kyrgyzstan“ has been working with FL Technics for a couple of years.**

**Our cooperation started from technical training courses for our staff. We were very pleased with the services provided. We have found FL Technics to be very professional in their approach, responsive and adaptable to our needs.**

**Since 2012 JSC „Aircompany „Kyrgyzstan“ has extended cooperation with FL Technics for Engineering and Maintenance support as EASA Part-145 /M certified organization.**

**It is vital for JSC „Aircompany „Kyrgyzstan“ to work with a business partner who is able to respond to changing market conditions and support us with initiatives to maintain its competitive position.**

**We would like to take opportunity to thank you for your hard work. We will surely consider your other services in the future.**

**JSC „Aircompany „Kyrgyzstan“ is looking forward for futher cooperation and long-term partnerthip with FL Technics.**

**Best regards,  
Maintenance Manager**

**Naushbay Zhetenov**
