

## ***Letter of Recommendation***

We at the Ukrainian International Airlines are honoured to have this opportunity to express our sincere thanks to Avia Solutions Group for their dedication and hard work during our projects together. Our main values include professionalism, attention to detail, punctuality and exceptional customer care. We are constantly looking for partners sharing the same philosophy that is why we chose to work with Avia Solutions Group.

We have put our trust into their hands and have never regretted our decision since. Their expertise and experience were invaluable in multiple stages of our cooperation.

For everyone looking for a responsible, committed, thorough and flexible partnership, there is no need to look any further. We are extremely satisfied about the process and the results of our collaboration with Avia Solutions Group.

And we are looking forward to working with them in the nearest future.

Vice President Engineering & Technical

**Alexander Saostenko**
